### DIVORCED COUPLE MARRIED AGAIN

Lived Apart 8 Years—C. N. Krenkler and Miss LaRue Are United.

Visiting in City Few Days Before Going to Waukegan, Illinois.

"The course of true love never did run smooth." This time-worn phrase certainly applies to the courtship, marriage, divorce and re-marriage of Miss Opal LaRue, and Charles N. Krenkler, both of Marion. These young people were united in marriage about ten years ago, lived together for two years, and then were divorced. Miss LaRue went to the home of her mother in Redlands, California, and Mr. Krenkler went to Chicago to make his home. A short time ago, the young people met again, and renewed the old acquaintance. Miss LaRue came to Marion this fall to visit her sister, Mrs. F. E. Dislennet, and Mr. Krenkler came back from Chicago. They were re-married Thursday afternoon, at 4:30 o'clock, by Rev. J. A. Sutton, at his home in LaRue. Mrs. B. A. Sutton, Mrs. J. A. Sutton and D. C. Ridgway were witnesses of the marriage.

Immediately following the wedding, Mr. and Mrs. Krenkler came to Marion to visit with the groom's mother, Mrs. Lena Krenkler, for a few days. They will make their home at Waukegan, Illinois, where the groom has a position in the commissary department of the U. S. navy stationed there.

**Great Show at the Sun.**  
During the present season the management of the Sun Theater has brought to Marion several acts of mystery. However, there is one on for the last three days of this week that all others have to fade away to. For an act surrounded with mystery, mirth and skill Prof. Wm. H. Van Dorn & Co. have the cleverest entertainment ever offered in this city. He conducts several very interesting chemical experiments in full view of the audience. He actually makes a bag of real snow and throws the snow balls to the audience. He freezes a piece of steak, strawberries and a rubber ball to an almost unimaginable

hardness. The snow is said to have a temperature of 320 degrees below zero. Another interesting demonstration is the production of a temperature of 5,400 degrees above zero, melting iron and steel in ten seconds so it runs like water and welding iron bars together. Shelly and Dawson, two clever girls, have a very pleasing little sketch and are splendid singers and dancers. Clara Ellsworth and company in a sketch entitled "Honey Bunch and the Spooks" is a well arranged vehicle for her. The musical dog, introduced during their act, is certainly a wonder, also "Honey Bunch." O. M. Paul, a German comedian, has a new line of songs and funny sayings and kept the audience in good humor. The Sunscope is presenting a splendid comedy. Telling all in all it is as clever a performance as has been presented this season.

**Kin of Aldrich Elopes.**  
Lynn, Mass., Dec. 15.—Russell Aldrich, nephew of Senator Aldrich of Rhode Island and son of Mr. and Mrs. Fred Aldrich of Newport, and Miss Mildred Blanchard, daughter of a poor tailor, eloped and were married in Newport Thanksgiving day by a justice of the peace, it became known today.

**Increase Too Rapid.**  
New York, Dec. 15.—According to Dr. H. H. Goddard, of New Jersey State School for Feeble Minded, defective increase twice as fast as normal minded persons.

The girl's parents were embittered because of the secrecy of the affair, but have forgiven her. The young couple declared the Aldrich family offered no objection to the marriage. Miss Blanchard was an operator in a shoe factory, while young Aldrich, who is a graduate of Yale, has been finishing his technical course by practical experience. They are living in the Littlefield lodging house and go to their work every day.

### DR. G. T. HARDING'S MARRIAGE KNOWN

The marriage of Mrs. Dora Luvell, of Anderson, Indiana, and Dr. George Tyrone Harding, of this city, became known in Marion yesterday, proving a great surprise to Marion people.

Dr. Harding went to Anderson, Thanksgiving day, where the marriage was celebrated at the home of the bride's brother, John Lambert. Rev. Carlos M. Dinsmore of the First Baptist church performed the ceremony. The groom returned to Marion the next day leaving Mrs. Harding in Anderson.

News of the marriage was kept secret pending the settlement of Mrs. Harding's business affairs, the affair

finally becoming known at the annual convention of the Northern Ohio Medical association in Toledo, where they met and together attended the banquet at the Boody house.

Dr. and Mrs. Harding returned to Marion Wednesday morning. They have made their home at the residence of the former on East Center street.
